

Scandinavia Services

Sweden

Exports:

With daily sailings from Immingham to Gothenburg we offer groupage and full load services to destinations throughout Sweden to meet the needs of our customers. We operate a fleet of modern 13.6 m Euroliner trailers equipped with sliding roofs to accommodate over head loading. In addition we can provide transport by flatbed, semi-low loader or other specialist trailers or containers. Groupage cargoes can be received at any of our Branch terminals or collected on wheels to suit customer requirements. For more information or to obtain a quotation please contact your local Bring Logistics branch office or ray.simpson@bringlogistics.co.uk

Imports:

With daily sailings from Gothenburg to Immingham we offer our customers the fastest routing for groupage cargoes from Sweden to the UK. We operate a combination of modern 13.6 m Euroliners equipped with sliding roofs to accommodate over head loading along with flatbed, semi-low loader or other specialist trailers or containers to ensure our customers are offered a transport solution to meet all cargo requirements. For inward groupage services de-consolidation and onward delivery is handled via our Stallingborough terminal with nationwide delivery available for all consignments. For further information or to obtain a quotation please contact your local Bring Logistics branch office or ray.simpson@bringlogistics.co.uk

Finnish imports are de-consolidated at our Stallingborough terminal with nationwide delivery available for all consignments. For more information or to obtain a quotation please contact your local Bring Logistics branch office or ray.simpson@bringlogistics.co.uk

Norway East Coast

Exports:

With cargo reception facilities available across our branch network or based on collection on wheels we offer departures 3 times per week from Immingham serving East Coast Norway. All destinations in the Oslo/ Kristiansand range are served for both full loads and groupage.

At Bring Logistics we operate a fleet of our own modern 13.6m Euroliner trailers all fitted with sliding roof to allow overhead access. We can also arrange transport by flatbed trailer, container or specialist trailers for out of gauge cargo.

Whilst full loads are of course handled on a door to door basis groupage can be handled via our terminals at key locations such as Brevik, Drammen, Larvik and Tonsberg. For further information or to obtain a quotation please contact your local Bring Logistics branch office or dave.bradley@bringlogistics.co.uk

Imports:

As with East Coast Norway exports we offer up to 3 departures per week from Brevik / Oslo to Immingham for import cargoes. Customs clearance and de-consolidation is handled at our Stallingborough terminal and we offer a nationwide delivery service to suit customer requirements.

At Bring Logistics we operate a fleet of our own modern 13.6m Euroliner trailers all fitted with sliding roof to allow overhead access. We can also arrange transport by flatbed trailer, container or specialist trailers for out of gauge cargo.

For further information or to obtain a quotation please contact your local Bring Logistics branch office or scott.long@bringlogistics.co.uk

Norway West Coast

Exports

With 2 sailings per week from Immingham and 1 sailing per week from Aberdeen we offer quay to quay or door to door rates for all destinations in the Stavanger / Hammerfest range. Multi purpose vessels offer space for general, ro-ro, unitized, refrigerated and heavy or out of gauge cargoes.

At Bring Logistics we operate a fleet of our own modern 13.6m Euroliner trailers all fitted with sliding roof to allow overhead access. We can also arrange transport by flatbed trailer, container or specialist trailers for out of gauge cargo.

We also offer chartering solutions for larger shipments of, for example, pipes in lots of 1000 ft tonnes upwards from any UK port to any suitable port or private berth along the Norwegian coast. For further information or to obtain a quotation please contact your local Bring Logistics branch office or ben.murphy@bringlogistics.co.uk

Imports

With 2 sailings per week into Immingham and 1 sailing per week into Aberdeen we offer quay to quay or door to door rates from origin points in Norway ranging from Hammerfest in the North to Stavanger in the south. The vessels offer space for general, ro-ro, unitized, refrigerated and heavy or out of gauge cargoes.

At Bring Logistics we operate a fleet of our own modern 13.6m Euroliner trailers all fitted with sliding roof to allow overhead access. We can also arrange transport by flatbed trailer, container or specialist trailers for out of gauge cargo.

Refrigerated cargoes form an important part of our West Coast Norway imports service. All customs clearance and Port Health formalities are handled by our Imports teams at Aberdeen and Stallingborough. For further information or to obtain a quotation please contact your local Bring Logistics branch office or scott.long@bringlogistics.co.uk
